

Ministry Report 2021

We are

HOPE DEALERS.

OUR MISSION

The mission of Reliance Ministries Inc. is to provide a four-part holistic model of services that we believe will eliminate the need for abortion, break destructive cycles, and provide real tools for men and women to live the most abundant lives possible.

WHO WE ARE

WE ARE PRO-LOVE.

We pour love into the lives of our clients and patients without bias, fear or judgment, no matter what circumstances bring people through our doors. In some cases, we may be their only source of loving support. No matter who they are or what they have done, our desire is that they will experience the transformational power and love of *Jesus*.

WE ARE SHAME-BREAKERS

We believe that shame has no place in a person's life. Through our programs, counseling services, and the ongoing support we offer our clients, we help women and men break the cycles of shame, addiction, and even abuse. Our desire is for individuals and families to find healing, restoration, and freedom from their past so they can *thrive*.

WE ARE PRO-ABUNDANT LIFE.

We are not in the emergency room business. We want to see our clients not just survive their crisis, but change the trajectory of their lives. When a man or woman knows their own worth and value, they make decisions based on that value, including choosing life for their preborn baby. Our desire is that their hearts be forever changed, their families be transformed, and they live a joy-filled, abundant *life*.

WE ARE HOPE-DEALERS.

We know we're not the Holy Spirit. Only He convicts and changes hearts. But our job is to share truth in love, be grace-filled, and plant seeds of hope into the lives of broken people - broken people just like us, broken people that are loved by a Holy God. Whether someone is facing a pregnancy decision, in a bad relationship, or just received some unpleasant test results, we are here with a message of *hope*.

The Hope Alliance

The Hope Alliance is a passionate and determined group of monthly givers on a mission to help provide hope, help, and compassion to people who need it most. It's people like you giving anything they can to propel the pro-love movement together and save lives physically and eternally. Join today at relianceministries.org.

HOPE MODEL

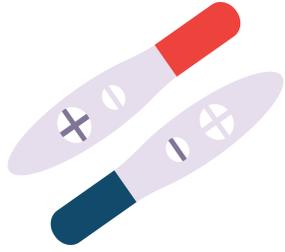

Learn more about Reliance's holistic four-part model and affiliate program for pregnancy centers.

Reliance Ministries is an affiliate of ProLove Ministries.

WHAT WE DO

All of the services at Reliance Center are offered free of charge to our clients and patients.

PREGNANCY TESTING

We provide lab-grade testing to any woman who thinks she is pregnant or needs pregnancy confirmation.

>> If she isn't pregnant, we talk about sex, healthy relationships, self-worth, and future goals.

OPTIONS COUNSELING

We share the truth about all pregnancy options and answer any questions in a safe, confidential place.

ULTRASOUNDS

We provide ultrasounds to determine viability, give our clients a chance to connect with their child, and to empower them to make a fully informed choice.

STD TESTING AND TREATMENT

We provide STD testing and treatment for women and men. Testing opens the door for us to have conversations about God's plan for sex, marriage, healthy relationships, and help them understand their worth and value.

PARENTING PROGRAMS

We mentor new moms and dads through individual education, group classes, and free material support during pregnancy and throughout their parenting years.

EMBRACE GRACE

We come alongside single moms and give them love, support, grace, and help during their pregnancy.

RELIANCE EDUCATION CENTER

We believe in holistic care and helping people live whole, healthy, abundant lives. That's why we offer one-on-one counseling and support groups for healing after an abortion, porn addiction support groups, sexual health education, marriage and family counseling, miscarriage and reproductive grief counseling, post-partum support, financial and career counseling, and more. REC (Reliance Education Center) also incorporates RELIANCE MEN, our fatherhood initiative that equips and supports new dads.

MOBILE MEDICAL UNIT

We use our state of the art mobile medical unit to bring high quality, cost-free, reproductive medical care and support services to the LC Valley and surrounding areas.

Changing Futures. Giving Hope.

HOPE. JOY. LIFE.

When we first met Catrina*, she came to us straight from her primary care physician's office, scared to death, high on heroin, and running from the police. She was with an abusive partner and struggling to just live, let alone choose life for the baby growing inside of her.

She was sure abortion was the right choice because she had been using drugs so hard, she knew her baby couldn't be healthy. When we started her ultrasound, we saw the track marks all over her body and our heart broke. Catrina was so terrified. Nothing in her life was stable...she just wanted to escape.

We offered her care, hope, and compassion, but when she left here that day, we didn't know if she would choose life, or if we'd ever see her again.

We didn't hear from her for a long time. Our nurse Aisha kept one of her ultrasound pics in her bible and we prayed for her almost daily. Not knowing where she was, if she or her baby were ok...was so hard. It's one of the hardest things we deal with here is when a client leaves and we don't know the outcome.

A few months later, Catrina walked back into the center, with a big beautiful belly and clear eyes. Our hearts EXPLODED with joy. She chose life for her baby girl, she was strong, sober, and ready to start this new life with her daughter. She came back to us because she knew we were still here for her, and could help her. We gave her all the items she needed for her new baby (due in a few weeks) and we spent some time encouraging her and loving on her.

Catrina had her baby in September and is still healthy, sober, and loving being a mama to her sweet baby girl.

Shining a light into the lives of broken people is exactly what Jesus has called us to. An abortion would have not only ended the life of this precious baby, it would have also destroyed Catrina's life. However, because of your generous support and the care she received at Reliance, Catrina is living a radically different life than she was last year.

As we look to the new year, we are excited about more opportunities like this one. We will continue to share truth and grace with women considering abortion, provide care to families in our community, and offer free services to surrounding counties as we increase our reach with our mobile medical unit. Will you consider a generous gift so we can continue to help more women like Catrina? We can't wait to share more life-changing stories in 2022!

FACES BEHIND IT ALL

Hope Lives Here

WORD FROM OUR CEO

Friends!

Wow, we made it through 2021. I look back at this past year and stand in awe of what God did. With your help, we raised 175k and purchased FERN our beautiful state of the art 37-foot mobile medical unit that has been used to save and change

lives. We saved 7 babies, whose lives were on the path for death.

We ministered to many broken and hurting women. We had 30 men walk through healing for sexual addiction and pornography addiction with Taun, our men's counselor. Our total number of client appointments increased by over 73% and the number of services we provided increased by over 85%! We never imagined when we opened our doors in 2018 that we would have the impact we've had on our valley and the surrounding areas, but as we look back over the past few years, its apparent that God has done EXCEEDINGLY, ABUNDANTLY more than we could ever dreamed. God is using Reliance to tell the truth, bust down walls, heal hearts, restore broken things, save lives, and break cycles that the enemy designed to destroy generations.

Thank you, friends, for joining us on this journey...we can't wait to see what God does in 2022!

With Abundant HOPE,

Heather

GET INVOLVED

VOLUNTEER

- 1 Be a client advocate - training is provided for women and men.
- 2 Teach a parenting class or life skills class.
- 3 Become an administrative or events volunteer.
- 4 Learn more about helping post-abortive women or women struggling with pregnancy loss.

CONNECT

Follow Reliance Center on Facebook and sign up for our e-newsletter to stay up-to-date about big news and events.

Take a tour of our Medical Center or Reliance Education Center and learn more about how you can pray for and support the women, men, and families we serve.

ADVOCATE

- 1 Serve on our Board of Directors.
- 2 Connect us with your church! Introduce us to your pastor or small group leader.
- 3 Throw a baby shower for new moms or do your own Facebook fundraiser.
- 4 Host an "Evening with Friends" to share the mission and vision of Reliance with your close friends.
- 5 On campus? Be a Reliance Student Ambassador!

Make an Eternal Difference
